- 2) **A Consent Form** (as given below) stating the supervisor/joint supervisor's name **(to be submitted latest by 15th February, 2021)**.

For guidance & supervision of research, a list of Teachers in the Department / Affiliated Colleges, along with their specialization and emails, has been provided at the end of the Ph.D. e-prospectus on the Department's website. All candidates recommended in the First Admission List are required to reach out to the Teachers of their specialization/ research area **through email**.
